Run your business better
with Clover Payment Solutions

Station Duo

Flex

Mini

Virtual Terminal

Clover has partnered with Libro CU to bring you the newest and most reliable Clover payment solutions, along with guaranteed savings.

Let us show you what simple, affordable, transparent pricing looks like. If we cannot beat your current processing fees, **you will earn a $1,000 Visa® gift card***.
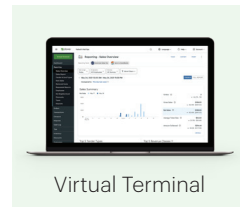

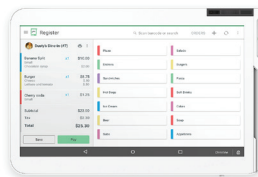

*Certain conditions apply.

Meet Clover

Clover is the customizable and dependable payment platform designed to simplify how you run your business.

- Take payments anywhere using Ethernet, Wi-Fi or LTE on the same device
- Accept all payment types, including Apple Pay®, Google Pay®, Samsung Pay®, WeChat and Alipay.
- Add your logo, website or a custom message to your terminal receipt, and email or text receipts to customers
- Accept payments with our **built-in Virtual Terminal** which includes card on file, recurring billing options and e-invoicing
- Clover eCommerce solutions help you grow your business online. Integrate Clover with your existing website, or let us help you build a new one

Station Duo   Flex   Mini

- Keep inventory organized and accessible with categories, modifiers and discounts
- Create custom orders quickly and accurately. Adjust a menu item, add or remove optional ingredients and modifiers, and automatically update the order total
- Track sales and transactions by employee, and set employee permissions
- Collect and manage customer contact information and marketing preferences, so you can better engage with your customers through email or text
